Celebrating Yulan Festival

The fifteenth day of the seventh month in the lunar calendar is the Yulan festival. This is an annual affair celebration in Ultratrex. This festival's origins are not unlike those of Halloween in Europe, it is also intrinsically linked to the Chinese practice of ancestor worship.

We are taking this opportunity to have our staffs, suppliers & customers gathering over a BBQ dinner.

Electra Mining Africa 2018

Ultratrex together with our South Africa partner, Bovu Pump Fluid Holding, were exhibiting on Electra Mining Africa 2018. The Electra Mining Africa in Johannesburg took place from Monday, 10. September to Friday, 14. September 2018. We had attracted many visitors and met some of our existing customers in the exhibition.

So we also like to thank to all the potential customers & visitors who came and visited our booth.

Ultratrex will also be exhibiting on the coming M & T Expo exhibition, 26 to 29 November 2018, in Sao Paulo, Brazil.
