UTX, YOUR TRUSTED PARTNER IN SHALLOW DREDGING EQUIPMENT

PRODUCT DEVELOPMENT : OUR LATEST PRIDE

1. EXCAVATOR MOUNTED SECTIONAL BARGE

We are proud to announce that we had successfully launched our brand new Excavator Mounted Barge EMB300 powered by DOOSAN DX300 LCA Excavator upperbody and equipped with BELL 200 Dredging Pump. The unique specifications of this model are its own movement mechanism by using paddle wheel and this model consist spuds with individual control to ensure stability during dredging process.

2. REMOTE CONTROLLED AMPHIBIOUS EXCAVATOR

First remote control operated 30 ton amphibious excavator by our European partner. Successfully tested and commissioned in Australia early May 2019. Getting ready to work during the coming monsoon season.

Conformance on quality is our priority. Thus, all Ultratrex's amphibious undercarriages will be bearing CE logo as we had successfully certified with CE marking by authorized CE certification body.

As a way of celebrating Ramadhan, Iftar been organized at KSL City Resort & Hotel, Johor Bahru for all staffs. The event was held with great joyous and happiness.

Ultratrex Machinery Sdn. Bhd. would like to wish all Muslims "Eid Mubarak"

May the joy at this festive season light your life with love, peace and hope.
