PRODUCTS AND ACHIEVEMENTS

ADVANCED TECHNOLOGIES

Lathe Machine for Slewing Flange

Robotic Welding Machine

Investing in the right equipment ensures consistency in quality, reduces the margin of human error and streamline the production processes. Ultratrex, invested in two leading-edge technology machinery ie. Lathe Machine and Robotic Welding Machine. With the application of these high tech machinery, we shall be more agile and confident in fulfilling customer's requirement and their preferences.

"Quality is never an accident; it is always the result of high intention, sincere effort, intelligent direction and skilful execution; it represents the wise choice of many alternatives." - William A. Foster
