PRODUCTS AND ACHIEVEMENTS

EXCAVATOR MOUNTED SECTIONAL BARGE

Another repeat order by our satisfied overseas customer. We had successfully delivered one more set of Ultratrex Excavator Mounted Sectional Barge on February 2020 after their first order in 2019. Ultratrex Excavator Mounted Sectional Barge is powered by DOOSAN DX500 equipped with 16 meter long reach arm. The said product is operating and performing effectively. This sectional barge is self propelled and build with spud system to ensure stability while digging in deeper water.

ULTRATREX AQUATIC WEED HARVESTER WH80-2

On 14th January 2020, Department of Irrigation and Drainage Malacca visited and performed a Factory Acceptance Test for the Ultratrex Aquatic Weed Harvester WH80-2. Ultratrex weed harvester will help to solve the river management problem in Malacca. We had successfully delivered the unit in February 2020. We can't wait to see the weed harvester performing at Malacca, targeted in March 2020.
